HAL LONGLEY, Sale Manager

37 Island Ave.

Aurora, Illinois

Why not establish on your farm a herd of prolific, early maturing, quick fleshing Scotch Shorthorn cattle? They are selling at moderate prices and the supply in this sale is large enough to afford a wide selection. This picture was taken on Shore Acres Farm, Sterling, Ill., owned by Arnold Bros., consignors to this sale.

This is Wernacres Hi-Hope, chief stock bull in the herd of H. L. Wernicke & Son, Lena. We display the picture simply as a means of showing you the quality of the herd bulls being used by those breeders who supply Shorthorns to "The Sale of Satisfied Buyers."

Buyers Always Make Money On Their Abingdon Purchases

Have you ever talked with the various men who consign good Shorthorns regularly to the Abingdon Sales? Try it sometime. You'll find that these men are proud to have had a part in building the splendid reputation of this sale. None of them have ever received high prices for their cattle. The prices that have been paid have provided a fair profit for the producer and yet the margin has always been favorable to the buyer. Satisfaction on both sides has been the result and the consignors come back to each sale with better cattle in order that buyers may continue in their appreciation of **Abingdon** as a dependable source of supply.

The Annual Fall Abingdon Sale will be held on October 22d. The list of consignors is the best possible assurance that this will be one of the strongest sale offerings in the history of this event. The bull offering contains an unusual number of ready-for-service bulls that can start in at once to carve brilliant breeding careers, as well as a generous number of exceptionally promising bull calves.

Fifty-four very choice females have been assembled for this sale and these include some of the best potential profitmakers that have ever been sold at Abingdon. There will be plenty of mature cows with calves, plenty of bred heifers and plenty of open heifers that are good enough to win back their purchase price in the show ring. Those who study the catalog will immediately recognize that this entire offering contains the richest possible Scotch bloodlines as well as the get of the most famous sires of the day. As in all former Abingdon sales, pedigrees and health certificates will be provided promptly and everything possible will be done to safeguard the name of **"The Sale of Satisfied Buyers."**

This sale will occur on the day prior to the Thorp Metz Auction Sale of Scotch Shorthorns at Williamsville, Illinois. Approximately 150 head will be sold in the two sales which are only 60 miles apart. Transportation will be provided for all who wish to go from Abingdon to the Metz Sale. The management will cooperate in assembling cattle purchased in both auctions.

Susanna's Caesar—Here is a very dark red bull of good type. His pedigree should certainly appeal to any breeders who is seeking imported blood. He is a son of Imp. Cruggleton Caesar by Garguston Sovereign and he is out of the great imported cow, Augusta Noona. It is interesting to note that the pedigree of the dam contains the names of only two breeders during the fourteen generations represented. These names are Marshall and Bruce. This bull is sure to make a great sire. He is out of the same dam that produced Imp. Susanna's Cruggleton that we used so successfully in our own herd.

Right — Shore Acre Brilliant, one of the great stock bulls in the Arnold Bros. Herd. A bull and a heifer by him, both choice, are listed in this sale.

Left — Shore Acres Command (Imp.) the son of the noted Calrossie Command that was used so successfully in the Arnold Bros. Herd. One of his sons is listed in this sale.

Browndale Master is one of the real good breeding bulls in this or any other state. He is the kind of a bull that you would search a long time to find and, if you did find a bull as good, the owner would not part with him. He is covered with mellow flesh from end to end. He has those full quarters and perfect tail setting that are so hard to find. He possesses a grand head and a short neck and he comes from Mr. Alfred Ryden's favorite Campbell Wimple family. Last, but not least, he is siring the correct type of calves. There will be abundant evidence at the sale that he is siring the type of calves that will meet keen demand. I hope you will look his progeny over carefully and note the uniformity, thickness, strong backs and level lines, full quarters, shortness of leg and good colors on every calf. Browndale Master is still a young bull. He is an exceptionally sure breeder, his disposition is perfect and he will make a real name for the breeder who will use him. Only in dispersals are such valuable tried sires ever offered.

Maple Lane Augusta 18th — Here is a beautiful red, broadbacked, chunky heifer that is built to have calves at ten month intervals if you wish. Her great granddam has had nine heifers out of ten calves for us and is still going strong. Bred to Browndale Villager, son and grandson of International grand champion bulls.

Three members of our consignment are the offspring of one of the best calf producers there is. Marshall's Seal, now 12 years old, is the heaviest milker in the herd. Her calves attain mature size when other calves the same age are only half grown. All her off spring have been alert appearing, good bodied animals. Because practically all of her calves have been heifers, and this feature has carried on down thru her off spring, she has made more money for us than any other cow.

Anoka Baronet, used successfully by H. L. Wernicke & Son. He is well known to buyers at Abingdon Sales. Five more choice animals sired by him will sell in this auction.

What could be more profitable or satisfactory than to produce calves like these on your farm? Shorthorn calves have the inherent ability to mature earlier and fatten more rapidly than the calves of any other breed. The above picture was taken at Marellbar Farms, consignors to this sale.

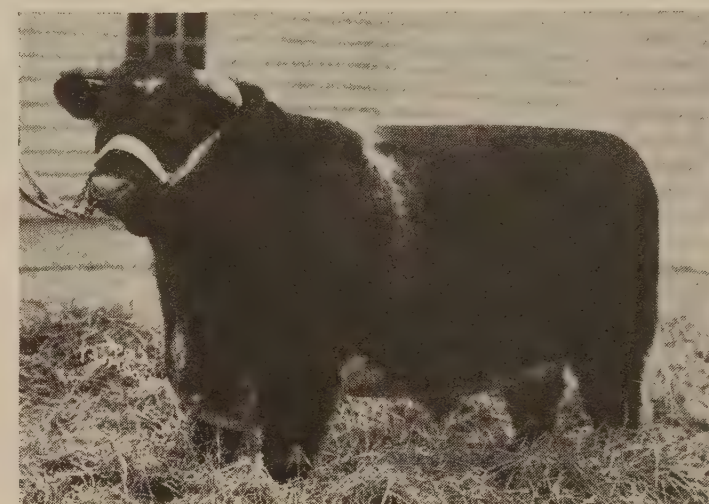

Imp. Baronet, a history-making sire in the Sni-a-Bar Herd. Two choice heifers in the consignment of Bob W. Tice are by one of his best breeding sons, Ashland's Meteor.

Imp. Cluny Brigadier Command by Calrossie Command. Two good heifers in the consignment of Alvin Artman are by his son, Allendale Watchman. Mr. Artman also consigns a cow bred to him and a cow with a heifer calf at foot sired by him.

Here is a choice group of calves sired by Imp. Silver Coin, produced in the herd at Atwood Farms. There will be two sons and three granddaughters of Imp. Silver Coin in this sale.

The same blood that produced these cattle also produced many animals listed in this sale.

The H. L. Wernicke Herd is one of the most practical and profitable herds in the country. Wernicke consignments have been a feature of many former Abingdon sales. Five head from this strong herd will be sold in this auction.

Maxwelton Clara 10th 2068128 is a good young red cow. She nursed a red bull calf on pasture all summer so is not in high condition. She possesses a splendid pedigree and these Marr Clara's are good cattle. Please bear in mind that my entire herd has been under Federal supervision and have been tested and accredited each year for several years. Bred August 26th to Browndale Master 2056971.

Browndale Clara 10th 2112760 was born on the Hancock County fair grounds. Her dam is the cow Browndale Clara 3rd that was shown so successfully two years ago as a two year old heifer and also this season as a cow. I have utterly refused to price this heifer and I shall continue this refusal. You only will be permitted to price her on October 22nd and then only because of the dispersal of my herd. This heifer has gone to work which all of my cattle do, and produced a grand red heifer calf July 24th, six weeks before she became two years of age. A great heifer, out of a great cow and selling with a beautiful red heifer calf at foot sired by Browndale Master. No man can estimate the earning capacity of this plant in the next decade.

Browndale Clara 3d, one of the good cows that will be sold in this sale by Ross L. Clark. The Clark consignment of 18 lots is a complete dispersion of this small but select herd.

MEMORANDA

MEMORANDA

**The most reliable breeders
like to sell at ABINGDON
because they know that
The most careful buyers
like to buy at ABINGDON**

..... and it's a combination that has made the **Abingdon Sales** a very dependable source of supply for Scotch Shorthorns.

Over a quarter of a million dollars worth of purebred, registered Shorthorns have been sold in the Abingdon Shorthorn Auctions held under this same management during the past twelve years. Most of them have been sold within a radius of 100 miles and many have gone to "repeat" buyers.

That's the reason this is known as

"THE SALE OF SATISFIED BUYERS"

..... and we are most anxious to protect this name.
